INTRODUCTION

A few words in support of the intent and organization of the listing of women's groups which follows.

In the Fall of '79 the Women's Programme set about the task of updating information on women's groups and their activities in preparation for a revised edition of the Directory of Canadian Women's Groups. While the response to that exercise was good, it was insufficient to proceed with publication at the time.

Meanwhile we continue to receive many requests for the Directory and have compiled the following information, in the hope that it will contribute to the communications and support network among women's groups across the country.

The listing does not pretend to be elaborate in its organization nor exhaustive in content. Groups included are those active, at varying levels, on issues related to the status of women. Several categories of group activity have been identified and separated for ease of reference, while all other groups have been organized by region.

If you find that your group has been misrepresented, or not represented at all, please let us know by completing and returning the attached form. We will periodically be updating this listing and are dependent on you to ensure that it serves your needs.

Additional copies can be obtained without cost, by writing directly to us at the address below.

Quelques mots seulement sur la raison d'être d'une liste des groupes de femmes et sur la façon dont elle est consituée.

A l'automne 1979, le Programme de promotion de la femme s'est donné comme tâche de mettre à jour l'information sur les groupes de femmes et leurs activités, en vue de publier une nouvelle édition de l'Annuaire canadien des groupes de femmes. Quoique les réponses à une telle entreprise aient été encourageantes, elles n'ont toutefois pas été suffisantes pour justifier, à ce moment-là, la publication de l'annuaire.

Depuis, le document nous a souvent été demandé. Nous avons compilé les données ci-dessous en espérant qu'elles faciliteront la communication et l'appui entre les groupes de femmes du pays.

La liste n'est ni complexe, ni détaillée. Les groupes qui y figurent sont tous actifs, à divers niveaux, dans le domaine de la condition féminine. On les a classés sous plusieurs catégories d'activités pour que la consultation de l'annuaire soit plus facile. Les autres groupes sont classés par régions.

Si votre groupe a été mal présenté dans le répertoire, ou s'il n'y figure pas, veuillez nous en informer en remplissant le formulaire ci-joint. Une mise à jour de la liste sera effectuée périodiquement. Il n'en tient qu'à vous de voir à ce que l'annuaire réponde à vos besoins.

Il est possible d'obtenir d'autres exemplaires gratuits en écrivant directement à l'adresse suivante.
